

ACADEMY OF QUEST

IN MEMORY OF DR. S.P.DEY

on 6th seminar- 21/12/19. Kolkata.

Dr S. P.Dey
(23-6-1931—23-1-2014)

Dr P. Basu.

He recalls some of his Prescriptions.

In Acute Tonsillitis – Guaiacum. Eosinophilia - Bromium. Hair Falling - Syphillinum. Wound not Healing, Bleeding easily. Carcinocin. Wound not healing - Lyssin.

BAD EFFECT OF WHOOPING COUGH – BACILLINUM, DROSERIA and PERTUSSIN

HOMOEOPATHY IN CLINICAL PRACTICE – Totality of symptoms with subjective and objective symptoms which include observation by your senses.

Observation - Touch, See, Hear, Smell. Touch is the most primitive sense and it got reassurance to the patients.

Exacerbation of impressions – Cannabis ind. ARN and BELL – UPPER PART HOT AND LOWER COLD. ANUS DILATED EVEN AFTER STOOL – PHOS. SILENT ABDOMEN-ALUM., PLUMBUM, OPIUM

Nose cold, Breath cold.- Carbo veg. Drop beats - Ignatia, Puls. Uvula Diverted to one side – Tubercullinum. Tongue: Long cracked - Nitric acids. Parallel cracked - Syphillinum. Hawking cough - Phos.,Tub. Paroxysm of cough-one paroxysm carb., two paroxysm - Merc., three paroxysm - Cup met. Pulse: 4TH beat – Calc ars., 5TH beat–Digitalis. Rhonchi - dry cough – Ars.

Dr. DEBASHISH MUKHERJEE

Here he described some of the points upon which Dr S. P. Dey used to stress during case taking.

Development of case in case taking. *Miasmatic state*—Hair, nails-thick / thin.

CAUSE – In Acute diseases - Exciting cause.eg., too much fishes loose stool Calc ars was prescribed , but failed, then he enquired about the variety of and he prescribed Puls., because that fish was rich in fat. Fever and body ache after Cold water bathing, in change of weather Rhus Tox. is prescribed. PITIFUL, IRRITATING NATURE WITH WHITE COATED TONGUE – ANT CRUD . PYROGEN – IRREGULAR PULSE - TOXIC LOOK.

Selection of potency- L M Potency and Centesimal scale both are given equal justification in his Prescribing.

Dr.B.C. Mallik

He Explained Dr S. P. Dey's commending ability of clinical diagnosis and his power of observation which help him for better selection of remedy after proper differential diagnosis of both disease and medicine.He listen the patient very carefully.

Pain in abdomen, (Gall stone/kidney lump). **Observation**-a bed ridden patient. **Fastidious** –Ars. alb (...*while paying he hold the corner of rupee...* Ars. alb). Patient took hand fan from doctor and start serving fan to him : *sympathetic* — *Causticum*. Arn - fever: patient says no complain. Colocynth : Intermittent moaning. Terebinth: nephritis. Backache – by falling - unable to turn in bed- Stramonium. (Boericke). Girl child –fever –allopathic medicine, patient too cold –(fall of temp).Nux vom. 200/every 10 min. Accident –pains –not properly cured = Ammon causticum. Girl child coughing persistently, Cough –when patient comes to chamber - **Hysteric cough** – Ambra grisea. **Liatris or Apis -urine stopped**. Apocynum in lower potency. Neurotic patient -not satisfied.

He advised things to emphasis in your clinic.

1. Clinical observations 2. Pick- up the indications and features. 3. Susceptibility. 4. Chose 30C when doubt, *Change if no change after 3-4 dose*, 5. then 200C. 6. Relapsing fever –anti miasmatic treatment. 7.Diet. 8. Careful attention on *Objective symptoms* and reports of investigations.

Miasm

Development of disease , miasmatic state , mix miasmatic case. He uses in many cases Syco sypillinum.

He was influenced by Foubister and Sir John Weir. Ars. alb –nausea, vomiting –on ship, after seeing the vomiting. Feeling-after seeing dirty things. *Ars and Nitric acid –in swine flu.*

Repertory to read

Use of rubric – hypertension –Orgasm of blood.

Gall bladder –pain –Dolichos (no result). Hippozaenium –advanced stage of Ca. (Streptomycin).

To study from repertory - Single remedy rubric from chapter MIND and GENERALITIES

Read, Read and Read!

Dr. Gyandas G Wadhvani.

He has described few of his successful cases with rare remedies.

Prof.(Dr.) L.M.Khan

Sir has discussed some prescribing of Dr S.P.Dey and some of his own clinical experience and also taught us some important indications of Baryta carb.

Your faults is your fate.

Symptoms similarly should be covered with concomitant

Anxiety about future symptom no. 770 (Bry.) in M M P. Plumber -anxiety about future

Calc phos –dar complexion. Opium cm cured infertility, repeated fear. Opium –recurrent effect.

Early month of pregnancy-development of constitutional symptoms.....

Menses -1st day liquid, later clots. Sabina 30. Sabina –Pain sacrum to pubes. Hot pt.

Opium –search for cold place, Arnica –soft part...

Keynote prescribing

Cruelty-rectum wart-Nitric acid. Vomiting +++ Arg metallicum

Yellow discolouration around mouth – Cina.

Baryta carb

Very susceptible to cold , enlargement of glands. *Appearance –sajane ,sawarne wala.*

In case of relapse –Carcinosin.

Prof. (Dr.) Rashid Akhtar.
